

M1 = Q2 without the need for counter space

Fits right under your K30 or Peak

100% accurate and leveled tamps

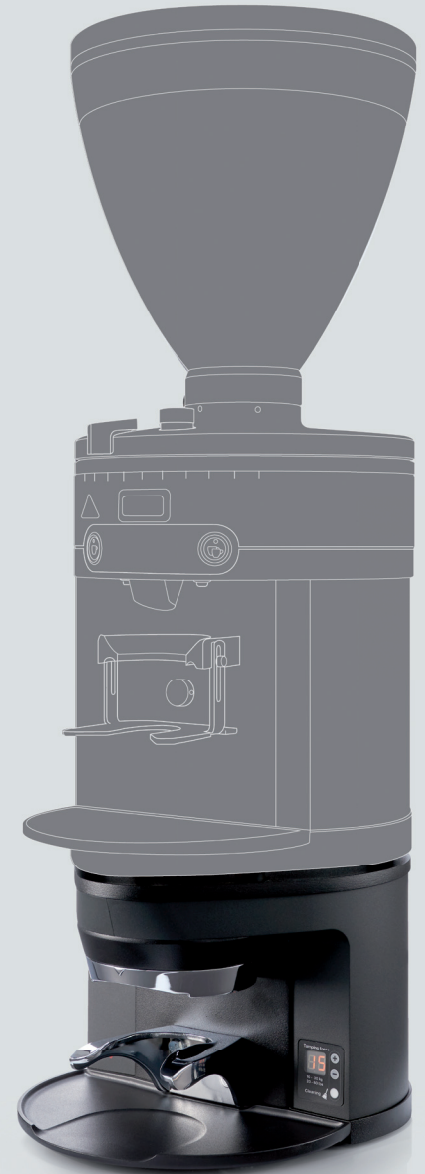

Be certain you are serving consistent shots all day long

Speed up the workflow

And work more relaxed during the busy hours

No more need to tamp yourself

Make sure you keep your hands & elbows healthy & Prevent RSI

*"It tamps incredibly even with the **same pressure** and without having to put any strain on our wrists and arms. A **wonderful Tool** for us as Baristas."*

- Klaus Thomsen,
Owner of Coffee Collective &
former World Barista Champion

Non stick coating, naked portafilter & more

Non-Stick Coating

Your precisely dosed coffee bed stays intact

Compatible with Naked Portafilters

Use any Portafilter you like and change it when you want to

Precision Tamp setting

Causes zero suction for a tighter sealed coffee bed

Improved frame stiffness

A tougher Puqpress for an even better leveled tamp

Adjustable steps of 1kg

Optimize your extraction
